MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are admitted for study in the College :—

(a) "Regular class" or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University and the provinces of Assam, Manipur State and Central Provinces, and those who come from the Dacca University and Board as provided for in rule 4.

(b) "Military class" (only students of European or Anglo-Indian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry, or any examination equivalent to it. In assessing the claims of those eligible for admission, special proficiency in those subjects particularly useful in the medical curriculum will be given the fullest consideration, viz., in English, Physics, Chemistry and Botany.

3. The Summer term commences on the 15th June and closes on the 19th September. The Winter term opens on 5th October and closes on the 31st March.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office on or before the 25th May, together with a fee of Rs. 4, which will not be refunded on any account except in the case of Assamese students, who should apply to the Inspector-General of Civil Hospitals of that province for admission within such date as that officer may prescribe. Students who come from the Dacca University and the Dacca Board of Intermediate and Secondary Education are admitted on the nomination of the Secretary of the said Board and University, and the candidates from the Central Provinces on the nomination of the Director of Public Instruction of that province. The candidate from Manipur will be nominated by the Manipur State.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list :—

	Rs.
Admission fee	25
Fees for Summer term	100
Athletic Club fee	4
Total	129

5. The number of regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number, and the final selection lies entirely with him.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadans. One candidate will be nominated by the Director of Public Instruction, Central Provinces, six candidates by the Inspector-General, Civil Hospitals, Assam, three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authorities. One candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in rule 2. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to this College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students already studying in this College but belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay the fee within the date prescribed by the Principal, otherwise their claims will lapse.

8. All regular students must pay an annual fee of Rs. 200 in two instalments, viz., Rs. 100 for the Summer term and Rs. 100 for the Winter term. They must also pay the annual Athletic Club fee of Rs. 4 along with the fees for their Summer term. Fees once paid cannot be refunded except to those whose claim for the refund is tenable under rule 19.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for the Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal directs, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.

11. Students relegated to a further course of study after failure to pass the Preliminary Scientific M.B. and the First M.B. Examinations shall pay Rs. 100 for the whole session in one instalment within the time prescribed.

12. Students who fail at the Final M.B. Examination shall pay fees for the whole session at the following rates in one instalment:—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each such subject including lectures and practical classes.

14. The fee for certificates issued to regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of Hospital practice.

15. In calculating the sum to be paid under rule 14 by a regular student, the amount of College fees paid by him (or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student) shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fees of Rs. 200 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as regular students.

Similarly, a student already holding a scholarship, either on the result of the University examination or granted by Government, is not eligible to compete for the College scholarships.

24. Regular students, who at any time are referred for a second year of study in all the subjects of one curriculum, are thereby rendered ineligible for any of the stipendiary scholarships awarded by the Government of Bengal. They are, however, eligible for the special scholarships and class prizes and medals and certificates of honour of the College.

MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are admitted for study in the College :—

(a) "Regular class" or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University and the provinces of Assam, Manipur State and Central Provinces, and those who come from the Dacca University and Board as provided for in rule 4.

(b) "Military class" (only students of European or Anglo-Indian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry, or any examination equivalent to it. In assessing the claims of those eligible for admission, special proficiency in those subjects particularly useful in the medical curriculum will be given the fullest consideration, viz., in English, Physics, Chemistry and Botany.

3. The Summer term commences on the 15th June and closes on the 19th September. The Winter term opens on 5th October and closes on the 31st March.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office on or before the 25th May, together with a fee of Rs. 4, which will not be refunded on any account except in the case of Assamese students, who should apply to the Inspector-General of Civil Hospitals of that province for admission within such date as that officer may prescribe. Students who come from the Dacca University and the Dacca Board of Intermediate and Secondary Education are admitted on the nomination of the Secretary of the said Board and University, and the candidates from the Central Provinces on the nomination of the Director of Public Instruction of that province. The candidate from Manipur will be nominated by the Manipur State.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list :—

				Rs.
Admission fee	25
Fees for Summer term	100
Athletic Club fee	4
				—
		Total	...	129
				—

5. The number of regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number, and the final selection lies entirely with him.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadans. One candidate will be nominated by the Director of Public Instruction, Central Provinces, six candidates by the Inspector-General, Civil Hospitals, Assam, three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authorities. One candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in rule 2. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to this College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students already studying in this College but belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay the fee within the date prescribed by the Principal, otherwise their claims will lapse.

8. All regular students must pay an annual fee of Rs. 200 in two instalments, viz., Rs. 100 for the Summer term and Rs. 100 for the Winter term. They must also pay the annual Athletic Club fee of Rs. 4 along with the fees for their Summer term. Fees once paid cannot be refunded except to those whose claim for the refund is tenable under rule 19.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for the Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal directs, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.

11. Students relegated to a further course of study after failure to pass the Preliminary Scientific M.B. and the First M.B. Examinations shall pay Rs. 100 for the whole session in one instalment within the time prescribed.

12. Students who fail at the Final M.B. Examination shall pay fees for the whole session at the following rates in one instalment:—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each such subject including lectures and practical classes.

14. The fee for certificates issued to regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of Hospital practice.

15. In calculating the sum to be paid under rule 14 by a regular student, the amount of College fees paid by him (or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student) shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fees of Rs. 200 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as regular students.

20. The following is the curriculum of the College :—

Regular students.

First year (one Summer term and one Winter term).

Physics, Chemistry, Botany, Zoology, and Practical classes in all these subjects; Test examination in all the subjects will be held during the course of the first year classes, and the students who fail in these examinations will not be sent up for the Preliminary Scientific M. B. Examination. Those students who are sent up for the Preliminary Scientific M. B. MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are admitted for study in the College :—

(a) "Regular class" or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University and the provinces of Assam, Manipur State and Central Provinces, and those who come from the Dacca University and Board as provided for in rule 4.

(b) "Military class" (only students of European or Anglo-Indian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry, or any examination equivalent to it. In assessing the claims of those eligible for admission, special proficiency in those subjects particularly useful in the medical curriculum will be given the fullest consideration, viz., in English, Physics, Chemistry and Botany.

3. The Summer term commences on the 15th June and closes on the 19th September. The Winter term opens on 5th October and closes on the 31st March.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office on or before the 25th May, together with a fee of Rs. 4, which will not be refunded on any account except in the case of Assamese students, who should apply to the Inspector-General of Civil Hospitals of that province for admission within such date as that officer may prescribe. Students who come from the Dacca University and the Dacca Board of Intermediate and Secondary Education are admitted on the nomination of the Secretary of the said Board and University, and the candidates from the Central Provinces on the nomination of the Director of Public Instruction of that province. The candidate from Manipur will be nominated by the Manipur State.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list :—

					Rs.
Admission fee	25
Fees for Summer term	100
Athletic Club fee	4
					—
			Total	...	129
					—

5. The number of regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number, and the final selection lies entirely with him.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadans. One candidate will be nominated by the Director of Public Instruction, Central Provinces, six candidates by the Inspector-General, Civil Hospitals, Assam, three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authorities. One candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in rule 2. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to this College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students already studying in this College but belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay the fee within the date prescribed by the Principal, otherwise their claims will lapse.

8. All regular students must pay an annual fee of Rs. 200 in two instalments, viz., Rs. 100 for the Summer term and Rs. 100 for the Winter term. They must also pay the annual Athletic Club fee of Rs. 4 along with the fees for their Summer term. Fees once paid cannot be refunded except to those whose claim for the refund is tenable under rule 19.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for the Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal directs, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.

11. Students relegated to a further course of study after failure to pass the Preliminary Scientific M.B. and the First M.B. Examinations shall pay Rs. 100 for the whole session in one instalment within the time prescribed.

12. Students who fail at the Final M.B. Examination shall pay fees for the whole session at the following rates in one instalment:—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each such subject including lectures and practical classes.

14. The fee for certificates issued to regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of Hospital practice.

15. In calculating the sum to be paid under rule 14 by a regular student, the amount of College fees paid by him (or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student) shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fees of Rs. 200 for the year in which they hold such scholarships. (Survey School Post-office, district Tippera.)

Admission Rules (Provisional).

THE Mainamati Survey School is a Government institution under the administrative control of the Director of Industries, Bengal. It is situated on the Mainamati Hills, 4 miles from the Comilla railway station in the Tippera district.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The full course of instruction extends over two years : either the full course may be taken, or the first year's course only. At present the session for the first year's course begins from the 1st August, terminating on the 31st July of the following year.

4. The session for the second year's course extends without a break from the first Monday in November to the middle of September of the following year.

5. It is a residential institution, and the students are required to reside in the school premises and must conform to the rules sanctioned by Government. Students may live with their parents or with approved guardians with the special permission of the Principal. The messing charges for Hindu students average about Rs. 10 per month.

The Muhammadan students make their own messing arrangements, but they are awarded boarding stipends according to the following scale :—

Number of students.	Value of each stipend. Rs.
1	... 6 per mensem.
2	... 5 " "

8. Application for admission into the first year's course must be accompanied by a registration and examination fee of Rs. 3 and should reach the Principal's office on or before the 30th June. The registration and examination fee shall, in no case, be refunded.

9. On passing the final examination of the first year course the candidates are awarded the Amin Certificate of the Survey Education Advisory Board, Bengal; on passing the final examination of the second year course the Survey Final Certificate of the Board is awarded. Candidates holding the Amin certificate and possessing a fair knowledge of English are eligible for admission to the second year class.

10. All payments, whether on account of tuition fees, boarding and lodging, must be made at the Principal's office on or before the 15th of each month. After that date no payment shall be taken, unless accompanied by a fine of Re. 1 for every three days' delay. If the payment is not made during the month for which it is due, the defaulting student's name shall be struck off the school roll, and he will not be re-admitted until he has paid all arrears, together with any fines which may be due from him, and a re-admission fee of Rs. 5.
